

## EPOXY INFORMATION

2 to 1 by Volume

Packaging includes:

Kit = 1-gallon Epoxy + ½ gallon Hardener

Smart Kit = 6-gallons epoxy + 3-gallons hardener

1/2 Pallet = 42-gallons epoxy + 21-gallons hardener

Pallet = 84-gallons epoxy + 42-gallons hardener

## FORMULAS

### CLASSIC PLUS (INSTALLATION)

Idea temperature use 60° to 90°

- ✓ Higher in viscosity, to assure long lasting strength
- ✓ Engineered with 20% elasticity
- ✓ Easy to mix
- ✓ Easy to trowel
- ✓ Brilliant shine
- ✓ Workable cure time

### DEK-FXR (RECOAT)

Idea temperature use 65° to 90°

- ✓ Lower in viscosity, make it easy to roll
- ✓ Easy to mix
- ✓ Brilliant shine
- ✓ Quick cure time, for multi-layer applications (back-rolling, multi layers)

### GOLDEN BOND (PRIMER)

Idea temperature use 60° to 90°

- ✓ Lower in viscosity, makes it easy to roll on large areas and brush on smaller areas.
- ✓ Quick cure time, to allow same-day installations
- ✓ Adds strength to high traffic areas and edges
- ✓ Easy to mix

## EPOXY INFORMATION

### FORMULAS

#### **SUPER SHINE (BROADCAST)**

Idea temperature use 60° to 90°

- ✓ Quick cure time, for multi-layer applications
- ✓ Lower in viscosity, makes it easy to roll on application
- ✓ Easy to mix
- ✓ Brilliant shine
- ✓ Durable for high traffic areas

#### **HOT STUFF (HOT WEATHER)**

Idea temperature use up to 105°

- ✓ Engineered for extreme heat
- ✓ Medium in viscosity, to assure long lasting strength
- ✓ Engineered with 20% elasticity
- ✓ Easy to mix
- ✓ Easy to trowel
- ✓ Brilliant shine
- ✓ Workable cure time

#### **COLD STUFF (COLD WEATHER)**

Idea temperature use 50° to 70°

- ✓ Lower in viscosity, to assure long lasting strength
- ✓ Engineered with 20% elasticity
- ✓ Easy to mix
- ✓ Easy to trowel
- ✓ Brilliant shine
- ✓ Faster cure time

## PRODUCT INFORMATION

### PURE SHINE (ACRYLIC SEALER)

- ✓ Non-yellowing
- ✓ Blush resistant
- ✓ Solvent based
- ✓ Easy to roll
- ✓ Deep and enhance colors
- ✓ For interior and exterior surfaces
- ✓ Long lasting protection

### EZ TROWEL

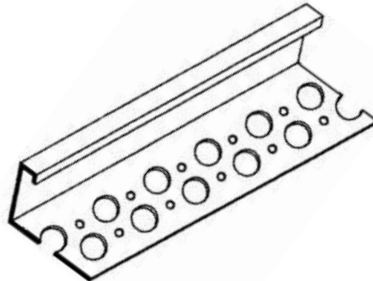

- ✓ Removes epoxy from your tools quickly
- ✓ Xylene based (cannot be shipped to certain states)
- ✓ Gives your installation a smooth finish

### QUICK RELEASE

- ✓ Petroleum base product
- ✓ Convenient 1-gallon container
- ✓ Easy to apply
- ✓ Allows forms to be reused (saving you money on materials)

### MOVEMENT STRIPS

3/8"x1/2" x 8' 750 lf. carton
